

2nd Quarter 2011

Adding Value to Our People, Products, and Partners!

CONWAY, AR • TULSA, OK

1-888-788-4083

CTB Adds New Tube Laser

CTB Tulsa has added another TUBE LASER to handle its growing customer base! With the addition of this new laser, CTB now has 3 state-of-the-art tube lasers. We can process a range of materials from .500" OD/SQ - 10.00" OD/SQ and equivalent rectangles. CTB was on the forefront of tube laser technology and the addition of this new laser confirms our commitment to the process. Over the past 5 years we have helped our customers bring new products and ideas to their markets by incorporating tube laser capabilities into their products. Just another way we are adding value to our PARTNERS!

CTB is now accepting
Credit Cards as a
payment option.

NEW TEAM MEMBERS

& PROMOTIONS!

Conway

Tommy Weaver has been hired as Conway Operations Manager. Tommy brings over 20 years experience to the team!

Steve Graves joins 1st Shift Warehouse in Conway and he is proving to be a positive force!

Adam Kemper has also joined our production team. Adam is quickly learning our processes and training on multiple machines.

Ryan Boling was promoted to Inside Technical Sales, focusing on tube bending and forming.

Tulsa

Bobby O'Dell has been named Production Coordinator in Tulsa. Bobby grew up in a family steel business and knows the value of attitude and hard work.

Kelly Winford joined Tulsa as Inside Sales. Kelly has over 10 years experience on the sales desk and we are very pleased to have him join us!

Gary Garbelman was named General Manager of Tulsa. We are excited about Gary's leadership for Tulsa and look forward to the CAN-DO attitude he brings.

New Equipment

CTB Tulsa has recently added another overhead crane. This new crane will help us move material more quickly and efficiently.
